

## **Product Datasheet**

**Product Name:** 00C05626 GASKET **Brand:** CLARKE

### **Specifications:**

- **Material:** Neoprene
- **Application:** Air Conditioner/Box Heater
- **Function:** Seals air conditioner components, prevents leaks
- **Cost:** Low cost
- **Compatibility:** Clarke Fire Protection Products

### **Features:**

- High durability
- UV and ozone resistant
- Easy installation
- Meets industry standards

### **Applications:**

- Air conditioning systems
- Box heaters
-
