SHI2-RI-SR-10

SHI2	Air preparation unit, 1/2" connections, -20°C to +135°C, 316L SS	Model Code
RI	Regulator	Model Type
SR	Self relieving	Self/Non Relieving
	N/A	Drain option
10	0.4 - 10 bar output range	Output Press Range
	N/A	Filter Element
	NPT connections	Connections
	1/8" Gauge port	Gauge port option
	Allen key adjustment	Adjustment option
	N/A	Drain screw option
	No Brackets	Brackets
SHI2-RI-SR	-10	Model Number

This is a bespoke datasheet. For further details on the complete range, please refer to catalogue:

Accuracy of information

We take care to ensure that product information in this catalogue is reasonably accurate and up-to-date. However, our products are continually developed and updated so to ensure accurate and up-to-date information please refer to the product catalogue issue list on our web site or contact a member of our sales team.

When selecting a product, the applicable operating system design must be considered to ensure safe use. The products function, material compatibility, adequate ratings, correct installation, operation and maintenance are the responsibilities of the system designer and user.

Quality Assurance

All Bifold products are manufactured to a stringent QA programme to ensure that every product will give optimum performance and reliability. We are third party certified to BS EN ISO 9001. We reserve the right to make changes to the specifications and design etc., without prior notice.
