

VICKERS-SV13-20-C-0-230AGH

Application Harvesters, refuse haulers, mobile and industrial applications

Pack Size 1.00

Features 350 bar (5000 psi) & 227 L/min (60 USgpm)|Reliable, economical and compact|Hardened and ground steel

ICC SICV Solenoid Valves

Net Pack Quantity Units EA

Special Features None

Sub Brand Vickers

Voltage 230 volt

Brand Danfoss (Power Solutions II LLC)

UOM EA

Flow Rate1 227 litre per minute

Language English

Product Width 1.53

Style 2-Way 2-Position Normally Closed

Supplier Part Number 303AA00626A

Product Weight 1.37 lbs
